Virtual Brown Bag Lunch & Learn

Hosted by Mental Health / Disability Services
of the East Central Region

If you are a fully licensed therapist, practitioner, counselor, or have a practice located in one of the nine counties in our region (Benton, Bremer, Buchanan, Delaware, Dubuque, Iowa, Johnson, Jones, or Linn County), you are invited to attend a **FREE, Virtual Lunch and Learn** session.

What you'll learn: Get better acquainted with the ECR, our staff, and the support we can offer you as a practitioner. Learn about becoming a contracted therapy provider with the ECR and how your clients can receive financial assistance for their sessions with you. If you are looking to expand your practice with another funding stream, grab your lunch and join us to learn about ECR's contracting process and reimbursement system.
